Debra, Shanta:

Quick Expectations:

Senior Management is expecting each Division to present its own part of the presentation. Just got off the call with Will. He is ready to talk about his slides. We have refined them with his input.

Ex. 5 Deliberative Process (DP)

***If there won't be a quorum of principal individuals available for the Alex briefing on Wednesday of next week, we are to let management know so that the meeting time can be changed.
